

Alexandria History Tours

A perfect activity for your next corporate offsite!

Alexandria History Tours wants to help make your corporate offsite a success. We have worked with many companies and provided a fun guided tour to incorporate into their corporate offsite.

Example #1

We provided a tour to 60 co-workers that stayed in Alexandria for a sales retreat. The group started the tour in the late afternoon after a day of meetings and breakout groups. We took them on a 1.5 hour guided walking tour that began at historic Christ Church and ended at Mia's Italian restaurant where the group enjoyed a dinner together!

Google Review:

"We had a very large group to accommodate, and Tim was super helpful getting everything planned. Day of tour was great - everything started right on time. Tour guides were very knowledagable and fun.. highly recommend!"

Example #2

A group of employees from an Alexandria based company got the entire team together for an in person week. Most of the team works remote. They chose a late afternoon tour. We met at the Visitor Center and ended at Captain's Row. The group went to Union Street Pub for Happy Hour after the tour!

From the company LinkedIn post:

“This year, we had the pleasure of exploring the rich history of Alexandria through an insightful tour with Alexandria History Tours. From stories of George Washington and the Revolutionary War to the city’s fascinating role in American commerce, architecture, and religion, we enjoyed learning about the heritage of the area. Some of our favorite stops included Christ Church of Alexandria, the Spite House, and Captain’s Row!”

A professionally guided walking tour is a low-stress, easy activity to set up for a corporate offsite. Get your employees out of the office and on their feet. Enjoy the outdoors in one of America's most historic cities!

Tim clearly is passionate about history and loves what he is doing. We took his tour as part of at team bonding and had a fantastic time. We appreciated Tim's expertise and knowledge as he lead us around historic Alexandria in search of George Washington's footprints. Would definitely recommend his tours to anyone.
